1.3 REGISTRATION REQUIREMENTS

1.3.1 Approved Registries

All hounds must be registered with LGRA. The hounds must be individually registered with a recognized registry for purebred Gaze hounds in order to register with LGRA.

The following registries are approved by LGRA: American Kennel Club (AKC), Canadian Kennel Club (CKC), United Kennel Club (UKC), National Greyhound Association (NGA), or any recognized foreign registry for pure-bred progeny of Gaze hound breeds. Hounds registered with the AKC under Indefinite Listing Privilege (ILP) or Purebred Alternative Listing (PAL), UKC Limited Privilege (LP) and CKC Performance Event Number (PEN) may also be registered.

Foreign registered Gaze hounds not yet registered in the United States may register provisionally until an approved registration is obtained.

The person entering a hound for racing must be the actual owner, or agent of the owner, or be in possession of papers transferring said ownership to the person entering the hound.

1.3.2 Registration with LGRA

Registration is accomplished by sending to LGRA a copy of the individual registration papers (described in 1.2.1) with a fee of \$2.00 U.S. per dog. This should be done at least two weeks prior to entering a meet; otherwise the dog may be registered on the day of the meet by submitting the above requirements to the meet Race Secretary for forwarding to LGRA along with the Official Meet Results. Provisional registration numbers may be obtained on the LGRA website, www.lgra.org, but are not permanent until the individual registration papers and fees have been received by the LGRA Registrar. LGRA Registration is for the life of the dog.
